Dear Mirko:

Just a quick note to say thank you very much for your assistance in the past year. As a new company interested in acquiring investment properties, you have performed excellently. Instead of wasting our time with properties not fitting our criteria, you zoomed in on exactly what we wanted, watched the market with great intensity, and brought us the best listings as fast as they appeared. Thanks to your efforts in finding and purchasing, we have acquired 5 properties in just over a year, and all of them have turned out to be great investments.

As we continue to grow the business, please rest assured that your dedicated & competent efforts with us will be rewarded by our maintaining you as our single source broker for income & investment properties.

Sincerely,

John Dudley
